## PROFESSIONAL EXPERIENCE

**Grassdoor** — **Remote**
UI/UX and Graphic Designer — Oct 2025 - Present

- Design owner across the B2B platform and five DTC brands of an omnichannel retail business, from user flows, wireframes and prototypes to high-fidelity UI, design systems and developer handoff.
- B2B: designing the OmniGreen website and product marketing system for an all-in-one retail platform (POS, eCommerce, delivery, marketing, compliance), with a page system that launches new pages without new design work.
- DTC: leading 500+ lifecycle email journeys across five consumer brands within two months, refreshing five brand identities on one shared design system.
- Built AI-assisted design automation and journey workflows that cut production time; also own CRM campaigns, launch assets, pitch decks and sales collateral.

**Deepvue.ai** — **Bengaluru**
Graphic Designer and UI/UX — Sep 2024 - Oct 2025

- Revamped the fintech dashboard UI/UX, leading to a 2× revenue boost. Designed email campaigns, 100+ blog thumbnails, 100+ infographics, 13+ landing pages and other webpages. Created social media creatives, brochures, flyers, and event booth designs. Delivered 10+ motion graphics and 20+ static designs for product pages & feature highlights. Built logos and visual assets aligned with brand and product identity.
- Designed DigiLocker identity-verification flows, the partner login and demo-booking flow, the brand identity guidelines and the GFF '25 event website.
- Managed CMS (WordPress) for content updates and page design. Designed print materials and merchandise for brand promotions. Collaborated with cross-functional teams for seamless design-development handoff.

**RetainIQ** — **Bengaluru**
Graphic Designer — Jul 2024 - Sep 2024

- Designed 20+ responsive email templates, icons, GIFs, and campaign assets in Figma.
- Created ad banners and promotional graphics for global DTC brands.
- Worked on inbuilt product features to design dynamic items in emails.
- Delivered 100% on-time outputs for urgent same-day requests.
- Coordinated with cross-functional teams to meet campaign goals

**Modish Family Salon** — **Bengaluru**
Design Lead (Freelance) — Jun 2023 - Aug 2025

- Led brand and digital design for a multi-location salon brand: identity, stationery, website and seasonal campaigns across print, social and in-store.

**Digi Pro Marketing Ltd** — **Chennai**
Graphic Designer — Nov 2022 - Apr 2024

- Delivering creative solutions for 7+ international and 5+ Indian clients. Designed and executed 10+ marketing campaigns, creating 500+ social media designs, 5+ webpage designs, 20+ logos, 50+ videos, and 30+ print media designs. Built brand identity systems, digital ads, and promotional materials while ensuring consistent branding across all platforms.
- Worked across B2B, B2C and D2C sectors including insurance, data analytics, finance, healthcare, gaming, payroll & HR and PEO solutions, producing brochures, pitch decks, infographics and proposal designs with sales and marketing teams.
